

Is Your Ministry in Compliance?

Complex payroll procedures, compliancy issues and changing regulatory requirements might detract you from spending time on doing what you do best ... running your ministry.

- Is your treasurer a volunteer whose other obligations make it difficult to process payroll on a regular schedule?
- Do you rely on members of your board to update your employee handbook?
- Does your bookkeeper need more time to work on general ledgers and spreadsheets?

If you answered yes to any of these questions, Paychex payroll services can help. Our payroll solutions are accurate and enable LCMS employers to stay in compliance with changing IRS, state, and local regulations.

We offer solutions to help manage your employees:

- **Experience.** We understand the unique aspects of church payroll.
- **Payment options.** Direct deposit, live checks, and a pay-card program.
- **Customer service.** Flexible options and support of a dedicated payroll specialist.
- **Integrated Concordia Retirement Savings Plan.** No additional cost.
