Recent Announcements

new! **December 3, 2018 – Speech-To-Text Non-Embedded Accommodation Guidance**
CTCs, CITCs, and building-level administrators are encouraged to review this [guidance](#) from AIR to ensure the STT accommodation is in place for students who require this non-embedded accommodation during online testing. Please contact the AIR Help Desk with any questions.
Added December 3, 2018

- **November 29, 2018 – Updated TIDE User Guide Now Posted**
AIR posted the updated TIDE User Guide to reflect instructions and information related to generating participation reports, completing post-test activities (e.g., "Reasons Not Tested"), requesting additional paper materials (beginning February 2019), and other system attributes. See Appendix D ("Change Log") of the updated TIDE User Guide to reference updated pages and contact the AIR Help Desk with any questions.
