

**DIRECTIONS TO
CAMP LAKEVIEW
(Lakeview Villages)
Seymour (Waymansville), IN**

Camp Lakeview highly recommends using Highway 58 unless you live in Seymour.

If you are coming **from Indianapolis, Evansville, Louisville, Cincinnati, or Columbus**, use major highways to **get to I-65**. South of Indianapolis and north of Louisville, take the Ogilville exit (#64). Turn WEST onto Highway 58 and go 8 miles [through Ogilville and through Mt. Healthy] to Waymansville. Turn sharp right onto 930 S. (also called "Lake Road."). Go 1.5 miles on Lake Rd. **Lakeview Villages will be on the left (directly across the road from the Camp Lakeview main entrance).**

If you are coming **from Seymour** and are not near I-65 already, take 6th Street west. This becomes Highway 258 as it leaves town. Go WEST for 3 miles, then turn right at the blinking light in Cortland onto 400 E. Go 2.3 miles, then turn left onto 875 N. Go a quarter mile, then turn right onto 375 E. This road will turn into Waymansville Pike and, eventually, Seymour Road as it weaves its way north and west for 6.1 miles. It ends at Highway 58. Turn right onto Highway 58 and travel a quarter mile until you reach the former Waymansville General Store. Turn left at the general store onto 930 S. (also called "Lake Rd."). Go 1.5 miles on Lake Rd. **Lakeview Villages will be on the left (directly across the road from the Camp Lakeview main entrance).**

If you are coming **from Brownstown, Bedford, or Nashville**, there are shorter routes through the country (besides going to Seymour or I-65.) Unless you are well familiar with them, please do not attempt these alternate routes without a GPS system or internet directions.
