

Dear Friends in Christ,

Through much prayer and consideration, God has clearly shown me that it is time to close the door on my work as IN District Curriculum Consultant, effective May 13, 2022.

It has been an absolute honor to support the Indiana District schools, and I can't think of a better group to have journeyed with over the past seven years than all of you. While the work ebbed and flowed during our time together, the friendships that God established through the work have been a constant joy. I am so very grateful to the Indiana District for allowing me this opportunity to learn and grow with educators like you from across the state and beyond. For all, I give thanks to God and lean solely on Him to reveal His next steps for me.

God's richest blessings in your ministry and service to His people!

Sincerely,

Julie Dietrich
